

Lena Ortiz  
Junior Developer  
lena.ortiz@example.com | Austin, TX

## SUMMARY

Recent CS graduate with small but complete projects.  
Clean code, testing mindset, eager to grow on a real team.

## PROJECTS

budget-cli: a Python command-line budget tracker (300+ tests passing).  
portfolio-site: a React static site with TypeScript and accessible markup.  
note-api: a Node.js + PostgreSQL REST API with JWT auth and unit tests.

## EDUCATION

BS Computer Science, UT Austin (2022-2026)

Relevant coursework: Data Structures, Databases, Web Development
